OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 26 September 1967

25X1 1. [] LLM) Mr. Norman Lewis, Public Relations Assistant to Representative Spark Matsunaga (D., Hawaii), was given Dr. Sherman Kent's phone number. Apparently Mr. Matsunaga desires to contact Dr. Kent in connection with a Harvard University matter.

25X1 2. [] JGO) In response to a call from Mr. Gilbert LeKander, Administrative Assistant to Representative Frank T. Bow (R., Ohio), made an appointment for 2:00 p.m. today for a personnel interview at the
25X1 Rosslyn office of Personnel for []

25X1 3. [] JGO) Miss Dorothy Fosdick, Assistant to Senator Henry Jackson (D., Wash.), called concerning assistance for the Senator relating to an address he is planning next month on the occasion of the 50th anniversary of the Soviet Union. I met with Miss Fosdick later in the day. She advised that the Senator's request is for information which might be described as relating to the reaction between the Soviet Union and the United States in the security field. He is particularly interested in illustrations of instances where the Soviets have moved forward as a result of their internal dynamics, as opposed to action or reaction to activities in the United States. Miss Fosdick also indicates that, if possible, Senator Jackson would appreciate the information on Friday. I advised Miss Fosdick that I would relay the Senator's request.

25X1 4. [] JGO) Met with Mr. Robert Michaels and discussed with him the Director's letter to the Chairman concerning S. 1035. Mr. Michaels advised that he would bring the letter to the Chairman's attention in the morning, and will raise the question of discussion of the letter with Subcommittee members.

Also discussed at some length with Mr. Michaels the Gross Amendment to the Foreign Assistance Act of 1967. It is his judgment that if the final sentence relating to the President's waiver authority is deleted the deletion should not be emphasized by any additional remarks in the Committee report.
